Insurance coverage is confirmed for liability to freight forwarding, warehousing and freight carriage contracts including additional customary forwarding services on basis of terms and conditions of policy wording KOMPAKT 2011, which confirms to the minimum requirements of § 7a Güterkraftverkehrsgesetz (German law of road haulage).

Exemplarily insurance is granted for liability on basis of legally fixed conditions as

- the ADSp, latest conditions;
- the national German transport law (HGB);
- the International convention (CMR);
- contractual agreements which are customary in trade (as for example the exceeded liability up to 40 special drawing rights (SDRs) per each kg gross weight of the consignment);
- the convention on the international railway traffic (COTIF/CIM);
- the Montreal Convention of 1999 and the Warsaw Convention;
- the Hague convention.

The general limits of insurance are as follows:

Per occurrence / damage	EUR 3.000.000,00
for pure warehousing contracts	EUR 1.000.000,00

No obligation for a third party liability can be deduced from this confirmation of coverage. This confirmation in particular does not oblige the Insurers or the Insurance Broker to inform of changes or expiration of the insurance contract.

This confirmation is valid until 31.12.2022.
